FOURTH CAFÉ THANKS LOCATION IN FORT LEE, NEW JERSEY

Duluth, GA and Fort Lee, NJ USA – May 1, 2018: TMPOS, Inc. (OTC: TPPM)

TMPOS, Inc. (OTC: TPPM) proudly opened its fourth corporate chain store, Café Thanks, in Fort Lee, NJ, a city that acts as a bridge between New Jersey and New York. It has been a long wait and we finally opened the first USA store with tremendous excitement.

Café Thanks introduces a distinctive customer management system that is different from other existing general cafés as it has convenient and trendy payment methods. It is the first café to introduce digital coin payment. It is a warm and friendly environment to generate pleasant personal and/or business-related meetings with various people.

Our new café offers delicious coffees, fresh foods, and tasty desserts that are made with carefully-selected ingredients. Friendly service and customer satisfaction is emphasized greatly and thoroughly the café is managed with a well systemized education. This café brings about harmony and chemistry between baristas and chefs. Starting with this first USA store in New Jersey, Café Thanks will grow into a global corporation.

TMPOS has developed its POS & CRM platforms as a digital platform for Café Thanks, Fort Lee and expects to play a big role in the head office of our café franchise in the US. As Café Thanks establishes itself as a digital platform café and a healing café in the US and Korea, Café Thanks will grow steadily by providing the best service and satisfaction to customers around the globe.
